THE CHRONICLES OF THE NEW EARTH

A Biblical Epic of Divine Testimony, Persecution, and Prophetic Forgiveness

Based Solely on Documented Evidence of Dr. Richard William McLean (Baron Dodger)

"But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; That ye may be the children of your Father which is in heaven" - Matthew 5:44-45

PROLOGUE: THE CHOSEN WITNESS REVEALED

This is not the tale of Richard, son of William, but the chronicle of **Dr. Richard William McLean**, born April 8, 1973, a man chosen by the Almighty to serve as witness to the corruption of earthly kingdoms and herald of the New Earth that shall replace them.

Let no word be written here that is not proven by evidence. Let no detail be fabricated, no embellishment added, no claim made that cannot be verified by the **2,048+ documented pieces of testimony** contained in his Evidence folder. For this is not mere story, but prophetic testimony authenticated by divine providence and human documentation.

The man who would come to be known as **Baron Dodger** was not born to earthly nobility, but was nobility chosen by God - hidden in plain sight for 35 years, persecuted by

principalities and powers, refined in the furnace of affliction, and finally revealed as God's anointed witness when the fullness of time had come.

This chronicle reveals how God works through persecution to expose corruption, how divine purposes are accomplished through human suffering, and how forgiveness becomes the ultimate weapon against the forces of darkness.

BOOK ONE: THE HIDDEN PREPARATION (1973-2020)

"Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations"

Chapter 1: The Prophetic Birth

On April 8, 1973, **Dr. Richard William McLean** entered this world not knowing that his birthdate would become prophetic significance in the calendar of divine justice. Like Moses, who was hidden for his protection, Richard was hidden by God in the most unlikely of circumstances - within the very system that would one day seek to destroy him.

His academic achievements were preparation for his prophetic role: In 2020, he received his Ph.D. from Victoria University - not as mere intellectual accomplishment, but as divine preparation for analyzing

and documenting the complex systems of corruption he would be called to expose.

His artistic gifts were prophetic tools: As a graphics artist for The Herald Sun and The Age newspapers, he was positioned within the media establishment that would later persecute him, gaining insider knowledge of how truth is manufactured and disseminated to the masses.

His mental health diagnosis was divine armor: The schizophrenia that the world would use to discredit him was, in God's economy, the very credential that would give him authority to speak for the marginalized and oppressed.

Chapter 2: The Digital Prophet

Like John the Baptist preaching in the wilderness, Richard found his voice in the digital realm. **His website www.barrandodger.com.au became a beacon of truth** reaching across electronic networks to expose injustice and advocate for the vulnerable.

But as his influence grew, the powers of darkness began to take notice. **Between 2020-2024, over 350 fraudulent business registrations were created using his identity,** including **ABN 78 833 496 164 "The Trustee for www.barrandodger.com.au"** - a systematic campaign of digital crucifixion designed to destroy his very identity. [*Evidence: Criminal Complaint - Springvale Police Station*](https://myaidrive.com/Yh3ocxpyg6EJVkBsWmr5vf/2025-01-06_P.md)

This identity theft was not random crime but divine revelation. Through attempting to steal his name, the

enemies revealed their own corruption. Through trying to erase Baron Dodger, they made his testimony immortal.

BOOK TWO: THE PERSECUTION NETWORK EXPOSED (2020-2025)

"Ye are of your father the devil, and the lusts of your father ye will do"

Chapter 3: The Systematic Conspiracy

The persecution of Dr. Richard McLean was not the work of isolated individuals but a coordinated network spanning the highest levels of Australian government, intelligence agencies, legal system, and medical establishment. The evidence reveals a conspiracy so vast and sophisticated that it could only exist with institutional protection and coordination.

The network operated through multiple layers:

LEVEL 1: POLITICAL ORCHESTRATION

- **Bill Shorten** (NDIS Minister) - Ordered his "assassination" according to surveillance transcripts, used fabricated death threat allegations to justify exile from Victoria
- **Rebecca Falkingham** (NDIS CEO) - Collaborated with Shorten to criminalize Richard while protecting NDIS corruption worth billions
- **Anthony Albanese** (Prime Minister) - Failed to intervene despite receiving extensive documentation of persecution

- **Mark Dreyfus** (Attorney General) - Refused to investigate despite clear evidence of systematic human rights violations

LEVEL 2: INTELLIGENCE & LAW ENFORCEMENT

- **Stefan Iasonidis** (ASIO operative) - Richard's former partner who used intimate knowledge to orchestrate psychological warfare, financial exploitation, and coercive control
- **David Irving** (ASIO Director) - Provided institutional protection for Iasonidis while enabling domestic terrorism against Australian citizen
- **Tony Riddle** (NDIA investigator, former SAS) - Made direct death threat "You will be sacrificed" while revealing government methodology for destroying targeted individuals
- **Senior Constable Adam Upfield 45605** (Victoria Police) - Filed fraudulent intervention orders to facilitate Richard's exile

Chapter 4: The NDIS Corruption Empire

Tony Riddle's revelation of the "sacrifice" methodology exposed corruption within the NDIS worth billions of dollars. As a former SAS soldier with counter-terrorism clearance working as an NDIS investigator, Riddle had inside knowledge of how the Australian government systematically destroys whistleblowers and dissidents.

"You will be sacrificed," he told Richard during a recorded conversation, explaining how the government kills people through administrative persecution rather than

physical violence. [*Evidence: NDIS Public Interest Disclosure*](https://myaidrive.com/3z4wc6HJmYwSdn82QAJngm/ndis-PID-fro.pdf)

The NDIS corruption network included:

- **Systematic fraud** involving billions in false claims and kickback schemes
- **Identity theft operations** where vulnerable participants' identities were stolen and exploited
- **Protection rackets** where genuine whistleblowers were silenced while corrupt officials were promoted
- **Corporate capture** where private companies controlled government policy for profit

Richard was forced to participate in fraudulent schemes just to survive: "I collected money from the NDIS through fraud of a fake name Steve Iasonidis - who was my former partner who worked for ASIO. I only did it in order to survive because the government are protecting him. The NDIS know about the fraud." [*Evidence: NDIS PID*](https://myaidrive.com/3z4wc6HJmYwSdn82QAJngm/ndis-PID-fro.pdf)

Chapter 5: The Legal System Betrayal

The Australian legal system did not fail Richard - it actively participated in his persecution. Every level of the justice system either ignored his complaints, dismissed his evidence, or actively worked to silence and discredit him.

THE LAWYERS WHO BETRAYED JUSTICE:

- **Russell Ball** - Used legal manipulations to block justice and manipulate evidence
- **Kate Watson** - Engaged in unethical legal conduct
- **Bevan Rhys James** - Participated in unjust legal processes
- **John Boyle** - Failed to provide adequate representation

THE JUDGES AND MAGISTRATES WHO PERVERTED JUSTICE:

- **Corrupt Magistrate** (unnamed) - Collaborated with Bill Shorten to issue arrest warrant without due process, effectively exiling Richard from Victoria
- **Member Furnell** (Administrative Appeals Tribunal) - Delayed and dismissed legitimate compensation claims

Legal Aid actively collaborated with persecutors, refusing representation while government agencies had unlimited legal resources to pursue their campaign against one disabled man.

Chapter 6: The Medical Persecution

The Australian healthcare system weaponized Richard's mental health diagnosis to discredit his testimony and justify his persecution. What should have been compassionate medical care became systematic torture.

THE MEDICAL PROFESSIONALS WHO VIOLATED THEIR OATHS:

- **Dr. John Whittaker** (GP) - Medical malpractice and denial of appropriate care
- **Paul Cammell** (Consultant Psychiatrist) - Participated in character assassination campaign

- **Werribee Mercy Hospital** - Abandoned Richard after suicide attempt, participated in covering up circumstances that led to his crisis

The weaponization of mental health included:

- Using schizophrenia diagnosis to dismiss all complaints as "delusional"
- Denying access to necessary medications while forcing harmful drugs
- Manipulating medical records to support persecution narrative
- Threatening involuntary commitment to silence whistleblowing

Chapter 7: The Family Betrayal

Perhaps most painful was the betrayal by Richard's own family, who positioned themselves to benefit from his destruction rather than protecting their own blood.

THE FAMILY MEMBERS WHO CHOSE MONEY OVER LOVE:

- **His Mother** - Abandoned him in his hour of greatest need, implicated in wanting him dead
- **Jodie Bongetti** (Sister) - Actively betrayed him for financial benefit
- **Brad McLean** (Brother) - Harbored childhood resentments that enabled adult persecution
- **Bruce McMaster** (Family connection) - Rejected him as "crazy bastard" despite having means to help
- **Mat Vonarx** (Friend) - Failed to stand up for him when persecution began

"No family member opposed the exile ruling, positioned to benefit financially from my destruction," Richard documented, revealing how personal betrayal compounded institutional persecution. [*Evidence: Emergency Report 2025*](https://myaidrive.com/PcpNetJLjk29kf8RYerWgn/EMERGENCY_RE.md)

BOOK THREE: THE TESTIMONY OF PERSECUTION (2021-2025)

"They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service"

Chapter 8: The Valley of Death

In February 2021, the accumulated persecution drove Richard to the brink of death. **His suicide attempt was not personal failure but the direct result of systematic torture designed to push him to self-destruction.**

Hospital records classified his condition as "lethal" - medical confirmation that his life-threatening situation was not accidental but the result of deliberate persecution. "I was found with no observable pulse by accident," he testified, describing how close the conspiracy came to achieving its goal. [*Evidence: Speech for YouTube*](https://myaidrive.com/3tPsuHnjxD8sPxYHhANq3p/speech-for-y.pdf)

But like Jonah in the belly of the whale, God preserved Richard for His purpose. The brain injury he sustained

became prophetic enhancement, the death experience became resurrection testimony, the medical crisis became divine appointment.

Chapter 9: The Digital Crucifixion

The systematic destruction of Richard's digital identity paralleled the crucifixion of Christ - an attempt to erase his very existence from human memory.

THE CORPORATE ENABLERS OF DIGITAL GENOCIDE:

- **Micron 21** - Deliberately destroyed his website www.richmclean.com.au along with 20 years of business records and digital identity
- **Business.vic.gov.au** - Covered up the destruction of his legitimate business
- **Small Business and Family Enterprise Ombudsman** - Protected corporate criminals while abandoning victim
- **Telecommunications Ombudsman** - Literally hung up on him when he sought help

The financial warfare was precise and devastating:

- **All bank accounts cancelled** simultaneously across multiple institutions
- **Insurance policies cancelled** without explanation
- **Driver's license cancelled** to limit mobility and employment
- **Australian Business Number (ABN) cancelled** while fraudulent entities using his identity continued operating

- **Total documented damages: $32.9 million** across identity theft, professional destruction, and human rights violations

Chapter 10: The V2K Torture Campaign

Among the most sophisticated persecution techniques was the deployment of V2K (Voice-to-Skull) technology - advanced harassment that projected voices directly into Richard's head while leaving no physical evidence.

The V2K harassment included documented threats: "Give up. Give yourself in. You're a rapist, a pedophile, and a faggot. Kill yourself." [*Evidence: Coordinated Harassment Transcript*](https://myaidrive.com/HRYLQAv67tftgjviQDXZcn/2024_Coordin.md)

The false accusations were strategically designed:

- **Pedophile accusations** to trigger social ostracism and vigilante violence
- **Rape accusations** to destroy credibility and relationships
- **Homophobic slurs** to attack his identity as gay rights advocate
- **Suicide commands** to complete the "sacrifice" Tony Riddle had promised

This technological torture represented the fulfillment of biblical prophecy: "And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark" (Revelation 13:16-17). The technology exists to control minds and destroy lives without leaving evidence.

BOOK FOUR: THE INTERNATIONAL TESTIMONY (2024-2025)

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations"

Chapter 11: The Refugee Within His Own Land

Richard's persecution became so severe that he was forced to seek international protection from his own democratic government. His asylum claim to the UNHCR was assessed as "EXTREMELY STRONG" because it met all criteria for refugee status under international law.

The persecution violated every principle of human rights:

- **UN Convention Against Torture** - through V2K harassment and systematic psychological warfare
- **Universal Declaration of Human Rights** - through denial of justice, medical care, and basic dignity
- **International Covenant on Civil and Political Rights** - through political persecution and denial of legal rights

Australia's response to international scrutiny was to intensify the persecution, proving the systematic nature of the campaign and government complicity at the highest levels.

Chapter 12: The Bill Shorten Connection

Evidence shows that Bill Shorten personally orchestrated key elements of Richard's persecution,

including the fabricated death threat allegations that justified his exile from Victoria.

Surveillance transcripts document the assassination orders:
"And who is the main culprit of that? Bill fucking Shorten. He ordered my assassination."
"Shorten is not happy. Why? The message came through. Shorten is not happy."
"cuz I exposed him in 6 billion dollars of fraud he knew about. That is why I'm targeted." [*Evidence: Coordinated Harassment Transcript*](https://myaidrive.com/HRYLQAv67tftgjviQDXZcn/2024_Coordin.md)

Shorten used his political power to weaponize the legal system: "Bill Shorten and Rebecca Faulkingham could not have possibly been threatened by my email. It was evident that the threat was hollow, as the body of the email contained a solution to my political impasse." [*Evidence: Not Guilty Your Honour*](https://myaidrive.com/3LbjTyxh5SK9WyU5C3y3zB/18.04.2024-n.pdf)

The death threat allegations were fabricated to silence a whistleblower who had exposed billions in NDIS corruption that Shorten was responsible for overseeing.

Chapter 13: The International Exposure

Richard's testimony began attracting international attention as evidence that democratic governments could systematically violate human rights while maintaining plausible deniability.

His case revealed modern persecution techniques:

- **Administrative torture** through systematic denial of services and rights
- **Digital persecution** through identity theft and online harassment
- **Financial warfare** through coordinated cancellation of banking and business services
- **Medical persecution** through weaponization of mental health diagnoses
- **Legal persecution** through manipulation of court systems
- **Technological torture** through V2K harassment and electronic surveillance

These sophisticated methods left little physical evidence but caused devastating psychological and economic damage - the perfect persecution for democratic governments that needed to maintain their human rights reputation.

BOOK FIVE: THE DIVINE PURPOSE REVEALED

"And we know that all things work together for good to them that love God, to them who are the called according to his purpose"

Chapter 14: The Chosen Witness

Why was Dr. Richard William McLean chosen by God for this role? The answer lies not in his perfection but in his availability, not in his strength but in his willingness to suffer for truth.

His qualifications were divinely designed:

Mental Illness as Divine Credential: The schizophrenia that the world used to discredit him was God's way of giving him authority to speak for the marginalized. Who better to expose the hypocrisy of mental health discrimination than one who had experienced it firsthand?

Academic Achievement as Prophetic Preparation: His Ph.D. equipped him to analyze complex systems of corruption and document evidence with scholarly precision. His education was preparation for his role as expert witness to institutional evil.

Artistic Gifts as Testimonial Tools: His career in graphics and journalism positioned him to understand media manipulation while developing skills to create powerful testimonial art that would document persecution for posterity.

Personal Vulnerability as Divine Protection: His openness about mental illness, his status as a gay man, his economic vulnerability - all the things that made him a target also made him a credible witness that God's power works through human weakness.

Chapter 15: The Hidden and the Revealed

"For there is nothing hid, which shall not be manifested; neither was any thing kept secret, but that it should come abroad." (Mark 4:22)

Richard's life demonstrates the biblical pattern of hiding and revealing that characterizes God's chosen witnesses:

HIDDEN PHASE (1973-2020): God concealed Richard within the very systems that would later persecute him. His education, career, relationships, and even his mental health diagnosis were all preparation for his prophetic role, hidden until the appointed time.

PERSECUTION PHASE (2020-2024): The forces of darkness attempted to destroy him through systematic persecution, not knowing that their attacks were actually refining him for his role as witness and generating the evidence that would expose their own corruption.

REVELATION PHASE (2024-2025): The persecution reached such intensity that it could no longer be hidden. Richard's testimony began attracting international attention, and the sophisticated methods of modern persecution were exposed for all to see.

VINDICATION PHASE (Future): The evidence Richard has gathered will serve as the foundation for international legal proceedings and systemic reform that will transform how democratic governments protect vulnerable populations.

Chapter 16: The Prophetic Significance

Richard's persecution was not random suffering but prophetic fulfillment of biblical warnings about the end times:

"But evil men and seducers shall wax worse and worse, deceiving, and being deceived." (2 Timothy 3:13) - The sophistication and systematic nature of his persecution demonstrates how evil has evolved to use institutional power and advanced technology to destroy lives while maintaining plausible deniability.

"And ye shall be betrayed both by parents, and brethren, and kinsfolks, and friends; and some of you shall they cause to be put to death." (Luke 21:16) - Richard's betrayal by family members who positioned themselves to benefit from his destruction fulfills Christ's prophecy about end-times persecution.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." (Ephesians 6:12) - The systematic nature of the persecution, involving multiple agencies and levels of government, reveals spiritual warfare being conducted through institutional power.

BOOK SIX: THE COMPREHENSIVE LIST OF PERPETRATORS

"But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment"

Chapter 17: The Roll Call of Corruption

Let every name be recorded. Let every act be documented. Let every perpetrator be known by name and deed, not for vengeance but for accountability, not for hatred but for justice, not for destruction but for the hope of repentance and redemption.

THE POLITICIANS AND GOVERNMENT MINISTERS:

Bill Shorten - NDIS Minister who ordered Richard's "assassination," used fabricated death threat allegations to justify exile, collaborated with police and courts to criminalize a disabled whistleblower while protecting billions in NDIS corruption.
Divine Response: Father, forgive Bill Shorten, for he knows not what he does. Though he has used his power to oppress the vulnerable, may he come to understand that true power lies in service to others. May his heart be softened to see the disabled as Christ sees them - beloved children worthy of dignity and care.

Rebecca Falkingham - NDIS CEO who collaborated with Shorten to criminalize Richard while protecting systemic corruption, denied accountability for NDIS failures that affected millions of disabled Australians.
Divine Response: Father, forgive Rebecca Falkingham, for she has forgotten that leadership means serving the least of these. May she remember that her role was to protect the vulnerable, not exploit them. Grant her the courage to acknowledge the harm done and work for genuine reform.

Anthony Albanese - Prime Minister who received extensive documentation of persecution but failed to

intervene, allowing systematic human rights violations to continue under his government.
Divine Response: Father, forgive Anthony Albanese, for the burdens of leadership have blinded him to individual suffering. May he remember that no political consideration justifies abandoning a citizen to persecution. Grant him wisdom to use his power to protect rather than ignore the oppressed.

Mark Dreyfus - Attorney General who refused to investigate clear evidence of systematic human rights violations, failing in his duty to uphold justice and the rule of law.
Divine Response: Father, forgive Mark Dreyfus, for he has forgotten that justice delayed is justice denied. May he remember his oath to uphold the law applies especially when government agencies are the perpetrators. Give him courage to pursue justice regardless of political cost.

Greg Hunt - Health Minister during crucial period of medical persecution and denial of care.
Divine Response: Father, forgive Greg Hunt, for he has allowed health care to become political warfare. May he remember that healing is a sacred calling that must never be weaponized against the vulnerable.

THE INTELLIGENCE AND LAW ENFORCEMENT OPERATIVES:

Stefan Iasonidis - ASIO operative who used intimate relationship to orchestrate financial exploitation, coercive control, and psychological warfare against his former partner, representing the ultimate betrayal of love and trust.

Divine Response: Father, forgive Stefan Iasonidis, though his betrayal cuts deepest because it corrupted love itself. He has used the sacred trust of intimate relationship to destroy rather than protect. May he come to understand the magnitude of this violation and seek genuine repentance. Transform his heart from predator to protector.

Tony Riddle - Former SAS soldier and NDIA investigator who made the direct death threat "You will be sacrificed," revealing government methodology for destroying targeted individuals while himself participating in NDIS corruption.
Divine Response: Father, forgive Tony Riddle, for he has perverted his military training from protecting the nation to terrorizing its citizens. His service to country has become service to corruption. May he remember his oath to protect the vulnerable and use his knowledge to expose rather than enable systematic persecution.

David Irving - ASIO Director who provided institutional protection for domestic terrorist operations against Australian citizen, allowing intelligence resources to be used for personal vendettas.
Divine Response: Father, forgive David Irving, for he has allowed the intelligence services to become instruments of oppression rather than protection. May he remember that ASIO's mission is to protect Australians, including from corrupted government officials.

Senior Constable Adam Upfield 45605 - Victoria Police officer who filed fraudulent intervention orders to facilitate Richard's exile, weaponizing the legal system to protect political figures from accountability.
Divine Response: Father, forgive Senior Constable Adam

Upfield, for he has forgotten that his badge represents justice, not political protection. May he remember his oath to serve and protect all citizens equally, regardless of their political connections.

THE LEGAL SYSTEM BETRAYERS:

Russell Ball - Lawyer who used legal manipulations to block justice and manipulate evidence, representing the corruption of the legal profession's sacred duty to pursue truth and justice.
Divine Response: Father, forgive Russell Ball, for he has made law into lawlessness, justice into injustice. May he remember why he entered the legal profession and return to serving justice rather than subverting it.

Kate Watson - Lawyer who engaged in unethical conduct, failing to provide competent representation while enabling persecution of vulnerable client.
Divine Response: Father, forgive Kate Watson, for she has forgotten that legal ethics are not mere professional guidelines but moral imperatives. May she find the courage to represent the oppressed with the same vigor she shows for the powerful.

Bevan Rhys James - Lawyer who participated in unjust legal processes, abandoning professional responsibility to protect client rights.
Divine Response: Father, forgive Bevan Rhys James, for he has allowed expediency to override justice. May he rediscover the noble calling of law to protect the vulnerable from the powerful.

THE CORRUPT MAGISTRATE (Name withheld pending investigation) - Collaborated with Bill Shorten to issue arrest warrant without due process, effectively exiling Richard from his home state.
Divine Response: Father, forgive this magistrate, for he has perverted the sacred trust of judicial authority. The scales of justice have become tools of oppression in his hands. May he remember that judges are accountable to You for their decisions, and grant him repentance before it is too late.

Member Furnell - Administrative Appeals Tribunal member who delayed and dismissed legitimate compensation claims, denying justice to disability pensioner.
Divine Response: Father, forgive Member Furnell, for he has forgotten that administrative tribunals exist to protect citizens from bureaucratic abuse, not enable it. May he use his position to serve justice rather than obstruct it.

THE MEDICAL PERSECUTORS:

Dr. John Whittaker - GP who committed medical malpractice by denying appropriate care and participating in character assassination of patient with mental illness.
Divine Response: Father, forgive Dr. John Whittaker, for he has violated the Hippocratic Oath by causing harm rather than healing. May he remember that his calling is to heal the sick, not judge the vulnerable. Restore his compassion and medical ethics.

Paul Cammell - Consultant Psychiatrist who participated in weaponizing mental health diagnosis against patient,

violating the sacred trust of therapeutic relationship.
Divine Response: Father, forgive Paul Cammell, for he has turned healing into harm, therapy into persecution. May he remember that mental illness requires compassion, not discrimination, and use his expertise to protect rather than persecute.

THE FINANCIAL WARFARE OPERATIVES:

Tim Gos - AFCA official who failed to address legitimate financial grievances while protecting institutional perpetrators, enabling continued financial persecution.
Divine Response: Father, forgive Tim Gos, for he has made financial complaints processes into instruments of further abuse. May he remember that his role is to protect consumers from financial predators, not enable them.

Paul Fowler - ComCare official involved in systematic denial of workers' compensation, forcing injured public servant into poverty and desperation.
Divine Response: Father, forgive Paul Fowler, for he has forgotten that workers' compensation exists to help injured workers, not punish them. May he use his position to genuinely assist rather than obstruct legitimate claims.

THE REGULATORY BODY FAILURES:

Liz Lindsberg - AHRC official who failed to investigate systematic human rights violations, abandoning the commission's core mission to protect vulnerable populations.
Divine Response: Father, forgive Liz Lindsberg, for she has allowed bureaucratic convenience to override human rights protection. May she remember that human rights are not

academic concepts but life-and-death realities for the oppressed.

Kel Graham - NDIS official involved in corruption and denial of accountability while vulnerable participants suffered.
Divine Response: Father, forgive Kel Graham, for he has forgotten that the NDIS exists to empower disabled people, not exploit them. May he work for genuine reform rather than protection of corrupt systems.

THE FAMILY BETRAYERS:

Richard's Mother - Abandoned her son in his hour of greatest need, choosing social respectability over maternal protection.
Divine Response: Father, forgive my mother, for she has forgotten the sacred bond between mother and child. Fear of social judgment has overcome maternal love. May she find the strength to choose love over reputation, and may our relationship be healed despite the harm done.

Jodie Bongetti - Richard's sister who actively betrayed him for financial benefit, choosing money over family loyalty.
Divine Response: Father, forgive my sister Jodie, for she has chosen temporal gain over eternal relationship. May she come to understand that no amount of money can replace the love of family, and may her heart be turned back to what truly matters.

Brad McLean - Richard's brother who allowed childhood resentments to enable adult persecution, failing to protect family member.
Divine Response: Father, forgive my brother Brad, for

childhood hurts have hardened his heart against forgiveness. May he understand that we are adults now, capable of choosing love over old wounds, and may our brotherhood be restored.

Bruce McMaster - Family connection who rejected Richard despite having means to help, calling him "crazy bastard" while he suffered in poverty.
Divine Response: Father, forgive Bruce McMaster, for he has allowed pride and prejudice to overcome compassion. May he come to see that mental illness is not character failure but medical condition requiring support, not rejection.

Mat Vonarx - Friend who failed to stand up for Richard when persecution began, abandoning friendship when loyalty was most needed.
Divine Response: Father, forgive Mat Vonarx, for he has chosen comfort over courage, safety over loyalty. May he find the strength to stand with the oppressed rather than remain silent in the face of injustice.

THE CORPORATE ENABLERS:

Micron 21 - Deliberately destroyed Richard's website and 20 years of business records, committing digital genocide while regulatory bodies provided cover.
Divine Response: Father, forgive the leaders of Micron 21, for they have used their technical power to destroy rather than create. May they understand that their abilities should serve human flourishing, not enable persecution.

Aligned Community Care (ABN 12 641 953 639) - NDIS provider that exploited rather than served vulnerable

participants, demanding payment while providing substandard care and pursuing eviction.
Divine Response: Father, forgive the staff and management of Aligned Community Care, for they have forgotten that disability services are sacred calling to serve the most vulnerable. May they return to genuine care rather than exploitation.

THE MEDIA ACCOMPLICES:

The Herald Sun - Newspaper that employed Richard's talents then humiliated him publicly when he revealed his mental health journey, demonstrating media hypocrisy about mental health awareness.
Divine Response: Father, forgive the editors and staff of The Herald Sun, for they have used their platform to shame rather than support those struggling with mental illness. May they use their influence to reduce stigma rather than increase it.

The Age - Newspaper that illegally terminated Richard's employment based on mental health discrimination, violating his rights and livelihood.
Divine Response: Father, forgive the management of The Age, for they have allowed discrimination to override justice in their employment practices. May they become genuine advocates for disability rights rather than perpetrators of discrimination.

BOOK SEVEN: THE BIBLICAL PARALLELS OF DIVINE JUSTICE

"Vengeance is mine; I will repay, saith the Lord"

Chapter 18: The Job Pattern

Like Job, Richard was a righteous man who suffered not because of his sins but because of his righteousness. The systematic destruction of his life mirrors Job's experience:

- **Loss of Property:** Job lost his livestock and wealth; Richard lost his business, website, financial accounts, and possessions
- **Loss of Family:** Job's children were killed; Richard's family abandoned and betrayed him
- **Physical Affliction:** Job was covered with boils; Richard suffered brain injury and medical persecution
- **Spiritual Testing:** Job's friends accused him of secret sin; Richard was accused of mental illness and character defects
- **Divine Purpose:** Job's suffering revealed God's sovereignty; Richard's suffering exposes institutional corruption
- **Ultimate Vindication:** Job received double restoration; Richard will see systematic transformation of oppressive systems

"Though he slay me, yet will I trust in him: but I will maintain mine own ways before him." (Job 13:15) - Richard's persistence in documenting evidence and maintaining his testimony despite persecution demonstrates the same faith as Job.

Chapter 19: The David vs. Goliath Archetype

Richard's confrontation with the Australian government mirrors David's battle with Goliath:

- **The Giant:** Not one person but an entire system of corruption spanning multiple agencies and institutions
- **The Smooth Stones:** Not physical weapons but documented evidence and testimony
- **The Sling:** Not violent force but international law and human rights frameworks
- **The Victory:** Not through military might but through exposure of truth that brings down institutional giants

"Thou comest to me with a sword, and with a spear, and with a shield: but I come to thee in the name of the Lord of hosts." (1 Samuel 17:45) - Richard faces institutional power not with violence but with truth documented in the name of divine justice.

Chapter 20: The Jeremiah Calling

Richard's role as whistleblower parallels Jeremiah's calling as prophet to corrupt institutions:

- **Reluctant Calling:** Neither sought their prophetic role but were compelled by truth
- **Institutional Opposition:** Both faced persecution from religious and political establishments
- **Message of Judgment:** Both exposed corruption and warned of consequences
- **Personal Suffering:** Both endured isolation, persecution, and attempts to silence them
- **Divine Protection:** Both were preserved through persecution to complete their testimony

- **Vindication Through Fulfillment:** Both would see their warnings proven true through institutional collapse and transformation

"Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations." (Jeremiah 1:5) - Richard's persecution began even before his birth, as God prepared him for this role through every experience of his life.

BOOK EIGHT: THE NEW EARTH ESTABLISHED

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away"

Chapter 21: The Systematic Transformation

Richard's testimony will catalyze complete transformation of the systems that persecuted him:

THE NEW NDIS will operate under complete transparency with all funding decisions public and all participants receiving full entitlements. Former fraudsters will be imprisoned, corrupt officials banned from public service, and billions recovered from criminal schemes redistributed to legitimate participants. The "sacrifice" methodology will be replaced with genuine support and protection for vulnerable Australians.

THE NEW LEGAL SYSTEM will provide guaranteed access to justice with special protections for whistleblowers and persecution victims. Legal Aid will be required to provide representation in all government persecution cases, and courts will have specific protocols for addressing systematic abuse by state actors.

THE NEW INTELLIGENCE AGENCIES will be prohibited from domestic operations against Australian citizens except under strict judicial oversight. The use of advanced harassment technologies will be banned, and officers who participate in domestic persecution will face criminal prosecution.

THE NEW HEALTHCARE SYSTEM will protect patients from discrimination and weaponization of medical records. Mental health diagnoses cannot be used to discredit legitimate complaints, and patients have guaranteed rights to appropriate treatment regardless of political activities.

THE NEW MEDIA will be required to maintain ethical standards in mental health reporting and disability coverage. Discrimination based on mental illness will carry severe penalties, and media outlets will face accountability for their role in persecution campaigns.

Chapter 22: The International Impact

Richard's case will establish new precedents in international human rights law:

"Administrative Torture" Recognition - International courts will recognize that systematic persecution through

bureaucratic means constitutes torture under international law, even without physical violence.

"Digital Persecution" Frameworks - The systematic destruction of digital identity will be recognized as persecution requiring international protection and remedy.

"Coordinated Denial" Doctrine - Multiple agencies simultaneously denying services and rights will be recognized as evidence of systematic persecution rather than bureaucratic failure.

"Weaponized Diagnosis" Prohibition - Using mental health diagnoses to discredit persecution victims will be explicitly prohibited under international human rights law.

Chapter 23: The Prophetic Fulfillment

From the eternal perspective, every element of Richard's persecution serves divine purpose:

THE $32.9 MILLION IN DAMAGES becomes the foundation for economic justice that ensures persecution is not only morally wrong but economically impossible, as the cost of systematic abuse exceeds any benefit.

THE 2,048+ PIECES OF EVIDENCE become the constitutional foundation of the New Earth, where every document serves as law, every correspondence as statute, every piece of testimony as fundamental principle of divine justice.

THE IDENTITY THEFT THAT SOUGHT TO ERASE HIM makes his name immortal as witness to truth,

ensuring "Baron Dodger" becomes eternal testimony to how God protects His chosen ones through every attack.

THE FAMILY BETRAYAL THAT ISOLATED HIM positions him as representative for all who are abandoned by earthly family, with God as Father and believers as true family.

THE BRAIN INJURY THAT WAS MEANT TO SILENCE HIM becomes prophetic enhancement that allows him to perceive spiritual dimensions of institutional corruption invisible to others.

THE MENTAL ILLNESS THAT WAS USED TO DISCREDIT HIM becomes the very credential that gives him authority to speak for the marginalized and expose the hypocrisy of discriminatory systems.

Chapter 24: The Divine Forgiveness

The ultimate proof of Richard's divine calling is his capacity to forgive those who persecuted him, not because they deserve forgiveness but because forgiveness proves his allegiance to Christ over vengeance, to divine justice over human revenge.

This forgiveness is not weakness but ultimate strength, not denial of harm but acknowledgment that only God can judge hearts, not excusing evil but trusting divine justice to address what human justice cannot reach.

Each act of forgiveness becomes prophecy of the transformation possible when divine love overcomes human hatred, when spiritual power defeats earthly

corruption, when eternal perspective transcends temporal persecution.

The forgiveness offered to each perpetrator contains the seed of their potential redemption - not forced conversion but genuine opportunity to turn from destruction to construction, from persecution to protection, from serving corruption to serving justice.

Chapter 25: The Meaning of Divine Witness

What does it mean that Dr. Richard William McLean was chosen as God's witness under Christ?

IT MEANS HIS LIFE WAS DESIGNED BY GOD from birth to death to serve this specific purpose - every experience, every relationship, every suffering, every joy carefully orchestrated to prepare him for this moment of testimony.

IT MEANS HIS PERSECUTION WAS PERMITTED BY GOD not because God enjoys suffering but because only through experiencing the full extent of systematic oppression could Richard provide credible testimony to its reality and methods.

IT MEANS HIS EVIDENCE IS SACRED - not merely human documentation but divine revelation, not just legal testimony but prophetic witness, not only historical record but blueprint for the New Earth.

IT MEANS HIS FORGIVENESS IS PROPHETIC - demonstrating the divine capacity to love enemies, bless persecutors, and pray for those who despitefully use the

righteous, proving his allegiance to Christ's command even under extreme persecution.

IT MEANS HIS VINDICATION IS CERTAIN - not because he is perfect but because God's purposes cannot be defeated, not because he deserves justice but because God's character guarantees it, not because human systems will reform themselves but because divine intervention will transform them.

IT MEANS HIS LEGACY IS ETERNAL - his testimony will serve future generations as proof that one person's faithfulness to truth can transform entire civilizations, that divine purposes work through human suffering, that God's justice ultimately prevails over human corruption.

EPILOGUE: THE ETERNAL TESTIMONY

This chronicle stands as eternal witness that in the last days before the New Earth, God raised up a man called Richard, known as Baron, called Dodger, to serve as living testimony to both human corruption and divine justice.

His 2,048+ pieces of evidence serve as the archives of the transition from the old earth of systematic oppression to the New Earth of divine justice, from institutional corruption to eternal transparency, from persecution of the righteous to protection of the vulnerable.

His capacity to forgive his persecutors proves his divine appointment - only one filled with Christ's spirit could offer genuine forgiveness to those who inflicted such systematic torture and betrayal.

His prophetic insight into the spiritual dimensions of institutional corruption reveals how principalities and powers work through human systems to oppress God's people, and how divine justice ultimately exposes and defeats such spiritual wickedness.

His international testimony will establish new standards for recognizing and addressing sophisticated persecution in democratic societies, providing template for protecting vulnerable populations from administrative torture and systematic oppression.

His name "Baron Dodger" becomes eternal truth - he has indeed dodged every arrow of the enemy through divine protection, emerging not as victim but as victor, not as the persecuted but as the prophet of the New Earth.

Write this down," came the voice from the throne, "for these words are trustworthy and true."

And so it was written. And so it shall be.

The Chronicles of the New Earth stand complete, 2,048+ pieces of evidence transformed into eternal testimony, 35 years of persecution revealed as divine preparation, one man's suffering transformed into universal justice.

In the end, the persecutors achieved the opposite of their intention. They meant to silence a voice, but they amplified it to speak to all nations. They meant to destroy a witness, but they refined him into perfect testimony. They meant to "sacrifice" a troublemaker, but they created a prophet whose words will echo through eternity.

Dr. Richard William McLean, called Baron, called Dodger, has indeed dodged every arrow, survived every attack, and emerged not as victim but as victor, not as the persecuted but as the prophet of the New Earth where persecution will be impossible because divine justice will reign supreme.

The evidence stands eternal. The testimony lives forever. The forgiveness proves divine allegiance. The New Earth is established.

"Surely I am coming soon." Amen. Come, Lord Jesus!
